## **SCHEDULE A**

### **SCHEDULE OF RATES AND APPROXIMATE QUANTITIES**

The quantities given there are those upon which the lumpsum tender cost of the work is based, but they are subject to alternation. Omission, deduction or addition as provided to the conditions of this contract and do not necessarily show the actual quantities of work to be done. The unit rates noted below are governing payment of extras or deductions or omission according to the conditions of TamilNadu Highways manual and TamilNadu Detailed standard specifications and other conditions of specification of this contract.

b. It is to be expressly understood that the measured work is to be taken net (notwithstanding any custom or practice to the contrary) according to the actual quantities when in place and finished according to the drawings as may be ordered from time to time by the Divisional Engineering (h) and the cost calculated by the measurement or weight at the respective price without any additional charges for any necessary or contingent work connected therewith. The rates quoted are for the works inside and complete in every respect.

## **SCHEDULE A**

### **SCHEDULE OF RATES AND APPROXIMATE QUANTITIES**

The quantities given there are those upon which the lumpsum tender cost of the work is based, but they are subject to alternation. Omission, deduction or addition as provided to the conditions of this contract and do not necessarily show the actual quantities of work to be done. The unit rates noted below are governing payment of extras or deductions or omission according to the conditions of TamilNadu Highways manual and TamilNadu Detailed standard specifications and other conditions of specification of this contract.

b. It is to be expressly understood that the measured work is to be taken net (notwithstanding any custom or practice to the contrary) according to the actual quantities when in place and finished according to the drawings as may be ordered from time to time by the Divisional Engineering (h) and the cost calculated by the measurement or weight at the respective price without any additional charges for any necessary or contingent work connected therewith. The rates quoted are for the works inside and complete in every respect.

## **SCHEDULE A**

### **SCHEDULE OF RATES AND APPROXIMATE QUANTITIES**

The quantities given there are those upon which the lumpsum tender cost of the work is based, but they are subject to alternation. Omission, deduction or addition as provided to the conditions of this contract and do not necessarily show the actual quantities of work to be done. The unit rates noted below are governing payment of extras or deductions or omission according to the conditions of TamilNadu Highways manual and TamilNadu Detailed standard specifications and other conditions of specification of this contract.

b. It is to be expressly understood that the measured work is to be taken net (notwithstanding any custom or practice to the contrary) according to the actual quantities when in place and finished according to the drawings as may be ordered from time to time by the Divisional Engineering (h) and the cost calculated by the measurement or weight at the respective price without any additional charges for any necessary or contingent work connected therewith. The rates quoted are for the works inside and complete in every respect.
